Mattapoisett Town News

BICYCLE PATH POSSIBILITY

State Senator George Rogers met with Selectmen R. William Blasdale and William Hubbard in Mattapoisett at their regular meeting February 15th. Rogers, chairman of the Massachusetts Committee on Natural Resources, told the 2 Selectmen that the General Court is almost certain to pass a bill for a couple of million dollars to be used to finance make work projects to combat unemployment. The vote on the bill will be February 28 and Senator Rogers is confident of passage. He suggested that the town resubmit the bicycle path project application since this would be the sort of project that would come under the bill's intent. The bicycle path proposal is laid out to follow the same route as the sewer connection to Fairhaven so Rogers said that this is a good time to bring both projects along together.

In order to make application, the town needs a recreation plan. The two Selectmen said they will alert the Sports & Athletic Committee concerning the project and its prospects. The Senator said Athletic Director Sheila Mitchell might come to Boston to acquire details for the application.

In other news of local interest Senator Rogers mentioned that there will be a hearing soon concerning Coggin's Disease. This is a malady affecting horses and the hearing is to discuss the possibility of allowing a horse owner to keep the animal rather than having it quarantined. The hearing date and place will be announced at a later date.

Senator Rogers said that the redistricting hearings are still in progress with no final lines drawn but he expects that Marion might be included in his district. He said that since Mattapoisett and Marion have close ties and mutual interests this would be a natural inclusion.

Senator Rogers also alerted the Selectmen to a bill now pending that would require a listing with the State "of all places that provide public access to beaches or that should provide public access to a beach". Selectmen Blasdale and Hubbard expressed concern because of the limited beach area available to the townspeople and the all inclusive wording (that should provide).

Senator Rogers said that he will watch the bill closely.

The Senator also described progress toward combatting oil damage to the shore by a bill to require a pilot on foreign oil tankers plus a $25 million dollar fund to be required of oil producers to be held for use in cleaning up of any future oil spills.

SEWER GRANT INCREASED

Selectmen amended the application for the Sewer Grant to include a $14,617.00 in Design Funds. This increase is to add a loop to the proposed sewer line to include Church Street, Oakland Street and Linhares Avenue, a wet area draining into a brook that empties into the bathing beach. The design funds are partly funded by an approved federal grant of $108,622. out of the total cost of $144,830. for design.

OUTDOOR ADVERTISING

Mr. Franklin Seymour of Hathaway Advertising met with Selectmen concerning the new state ruling regarding billboards. The Selectmen advised that Mr. Seymour apply for a variance to the town's by-law which prohibits billboards so that they can be kept until the town meeting can consider the matter.

AMBULANCE PROBLEM

Selectmen have been informed by Rep. William MacLean that the present town ambulance can't be used after July 1, 1977. The present ambulance could then be used only as a back-up for such taxi operation as transfer of nursing home patients. Executive Secretary Stephen Lombard said that the town already has a mutual aid agreement with neighboring towns to furnish first back-up service if the modular ambulance is out on emergency

call. Specifications are ready to go out to bid on the modular ambulance, as required by state mandate, and one bid version includes trade-in of the present ambulance.

The Selectmen are extremely concerned with the costs and problems which arise from the state mandate that two trained emergency technicians are required to man the ambulance on every call, emergency or not.

VETERAN LETTER

Marion Selectmen have written to the Board of Selectmen asking that all Marion veteran cases be referred to their office in Marion. This letter was in reply to a letter sent to them by Mattapoisett Veterans' Agent George White stating that we have been servicing Marion veterans and it is about time Marion started taking a good look at their own Veterans' Department.

MOSQUITO CONTROL

Selectmen suggested to Lynda Francis, chairman of the Mosquito Control Committee, that she consider the possibility of putting the job of mosquito inspector out to bid. The job is a 20-week job in the mosquito season. Ms. Francis said that Paul Belanger has been certified and has done an excellent job for

the committee. The Selectmen asked that she confer with Belanger and report back to the Board.

DOG OFFICER RESIGNS

Wayne Viera submitted his resignation as dog officer. He has held the post for six years but is now working days and will not have the time to devote to the part time job expanded as Selectmen propose. The resignation is effective March 1, 1977.

Selectmen voted to appoint Penny Hiller of Mattapoisett Neck Road as temporary dog officer from March 1 to June 30. A job description will be prepared so that a permanent officer can be named. Daniel Stevens, Atkinson Way; Penny Hiller, Neck Road; and Charles Viera of Brandt Island Road have applications in for the dog officer post.

Selectmen will seek approval of the Annual Town Meeting to expand the duty of the dog officer. Executive Secretary Lombard noted that the town will have to adopt the state dog control law in order to give the town power to levy fines and enforce the regulations.

HIGHWAY AID

The Massachusetts DPW has informed Mattapoisett that the Governor has submitted a Comprehensive Highway Program including $27,000,000 to be distributed to cities and towns for state highway purposes for fiscal year 1978 and 1979. This will be under Chapter 90 funding.

Highway Surveyor Manuel Nunes will draw up an article for the Annual Town Meeting in the amount of $5,000 for drainage and construction on Brandt Island Road.

OLD COLONY BUDGET

Selectmen are informed that the Old Colony budget is increased $81,891.19 over last year. The total is $149,075.00 for 1977-78. The capital costs increased .096%, the operating costs increased 330%.

RAY I. BRADLEY RECEIVING HIS 2-GALLON PIN FROM LAURA HORNE.

M.E.C.A.'s blood drive held Friday, February 18th, at St. Anthony's Church Hall was a overwhelming success. Forty-two pints of blood were realized. These blood drives are covering all the needs of Mattapoisett's residents. Our list of new donors to M.E.C.A.'s blood program is increasing with each drive.

Two highlights of the day were when Ray

Is your bank forcing you into No Choice Checking?

We offer you a choice of four **free** checking accounts.

1. NOW ACCOUNT
You earn a big 5% and enjoy **free** checking. All you have to do is maintain a minimum balance of $300 and your checks are **free**, plus **free** imprint of name. It's the best checking account for the savings-minded.

2. REGULAR CHECKING
It's the standard, good old-fashioned checking account, which is still preferred by many. Even this account is **free**, if you maintain an adequate balance to the ratio of activity on the account. See one of our tellers for details.

3. FREE CHECKING
By simply maintaining a minimum balance of $100, you can enjoy **free** checking. It's the new popular account created by us.

4. 60 AND OVER CHECKING
If you are over sixty, this is the checking account for you. There's no minimum balance and no service charge. This is designed to give your budget a boost.

Come in and get the kind of checking account you want!

I. Bradley received a 2-gallon pin and when Richard Douglass received a 1-gallon pin from their donations to the Red Cross. There are more donors reaching the one or more gallon mark.

We would like to give a special thanks to all the donors who made and kept their appointments, and to St. Anthony's Church for the use of their hall.

Our next blood drive will be held on April 28 with a blood mobile unit. Please make your appointments early by calling Laura Horne, 758-3373. Mattapoisett residents in need of blood should call Robert Raphael, 758-4384; or Laura Horne.

Mattapoisett Seniors

The last meeting held on February 14th by the Seniors' Club of Mattapoisett had a large attendance.

Reports by committees included a Valentine treat of cake and ice cream delivered to the Mattapoisett Nursing Home.

The treasurer's books were audited by Joseph Rochette and declared accurate and were approved.

The refreshment ladies served delicious home-made Valentine pastries on a table beautifully decorated with flowers and candles.

The next meeting will be held on February 28th at 2 P.M. at the Legion Hall.

Mystery Ride

Editorial, D.C.J.

La Dolce Vita - how sweet it is for our "public servants". Blissfully untouched by inflation they ride the crest buoyed by automatic step increases in pay. Above the fray, unaware of the struggle of their constituents they consider tossing a $50. crumb and at the same time vote themselves a $13,000 raise. "Fifty dollars for us, thank you Jimmy, thank you Congress, thank you, thank you - that will heat the house for a whole week."

While the news forecasts a rapid rise in the cost of gasoline to over $1.10 per gallon, our Massachusetts legislators plan allotting a couple of million dollars to make work projects - among which are bike paths. The fact is that when the price of gas reaches that level they can very well convert Route

6 to a bike path at no cost at all. The doubling of the cost of transportation will, of course, be accompanied by a doubling in the cost of fuel oil and traffic may well be at a minimum. In addition to this expense, naturally, taxes will have to pick up the tab for the $50. rebate, the various make work projects both federal and state, the Congressional pay raise, the handsome retirement funds now getting out of hand on every government level, automatic step increases in pay, plus merit increases for all of our public servants, gifts, grants and benevolent blessings by federal and state bureaucrats and all of the other rising costs of government at every level.

As we enjoy these services and grants from our benefactor governments, we have reached some interesting levels. The average cost of a home is near $50,000.00. This sort of puts the "average man" out of a house and into "housing". Our average welfare recipient cannot afford to work and take a cut in income, so Governor Dukakis looks to the federal treasury for relief from rising welfare costs. It presently costs more to keep a

hoodlum in prison than it would cost to send him through college. On our local level, school population in pupils declines as school costs continue to rise. Our town government costs soar as town pay scales rush to match school pay scales.

As this happens, business is jammed between rising taxes, rising energy costs and inflationary pressure. Big corporations start to close marginal stores and small businesses fold unnoticed as costs exceed income. Unions strike for more where there is no more and plants close.

A plague is in our country and its name is government. We look to this plague to solve our problems and they intensify them. Rising costs of labor - government solution: give 'em a step increase and a raise. Rising costs of energy - government solution: budget more "MONEYS" for fuel and power. Shortage of operating funds - government solution: crank more funds into the budget requests.

La Dolce Vita - the "public servant" with the sweet life is in the driver's seat and we, the passengers, are paying for the mystery ride. The thrill might be less if someone took the blindfold off the driver.

There is a need in our country for:

General Tax relief - forget the $50. Jimmy - cut the cost of government on every level.

Tax ceiling - Take a fixed percentage of individual income for federal taxes - the same for all with an absolute ceiling on that percentage.

Property tax - Put an absolute ceiling on property tax so that they can't become confiscatory.

Stop Waste - stop grants, gifts, "MONEYS" that we can't afford.

Ban unionized government - Government workers enjoy absolute security, good pay, wide benefits, generous retirement. Taxpayers cannot support an annual rip-off as well.

Private employment - The only source of income is the private businessman. Kill him and you end our system. Private business needs an immediate:

1) Energy program

2) Tax cuts to provide operating money, employment funds and incentive profit.

3) Less regulation - let competition work to provide more and cheaper goods and service.

4) Relief from greed - protection against an unlimited power to force unreasonable wage demands.

Government responsibility

Every program dictated by the state government to city or town government should be required to be financed completely by the dictating authority. City and town government should have the power of appeal to a panel of Mayors and Selectmen with final authority to overrule the state on unreasonable demands upon local government. Local government should retain authority and control of everything that can be handled on that level.

This would be a start toward survival.

Council on Aging

At the February meeting of the Council on Aging it was decided to have special trips on Thursdays on the mini bus. Accordingly last Thursday a trip to the Hyannis Mall was arranged. Next Thursday a trip has been arranged for the shopping mall in Fall River. We welcome suggestions from Senior Citizens for future Thursday trips which are all day excursions and each rider provides his or her lunch, or buys it at a restaurant. The mini bus leaves the American Legion Hall on Depot Street at 9:30 A.M. and returns about 4:00 P.M. Reservations should be made by calling the Town Hall and asking for Council on Aging on Monday or Wednesday between 10:00 and 12:00 Noon. Special arrangements for pick-ups may be arranged at that time. The shopping trip, formerly available on Thursday, will now be run on Friday. Mini bus trips are open to all Seniors in town whether they belong to the Mattapoisett Seniors or not.

The Council on Aging plans its next 50 passenger bus trip for late March and a trip to the Flower Show in Boston. Date will be announced and

Basketball Comedians

CANADA'S HARLEM DIPLOMATS AT ORRHS

Basketball's internationally famous Canada's Harlem Diplomats will play at the Old Rochester Regional High School on March 9th at 8 P.M. in the high school gym. They will play the "Faculty All Stars" in a game sponsored by the Senior Class.

The Diplomats, who are rapidly becoming world renowned, recently played in Mexico, Jamaica, Nassau, Brazil and Venezuela where they were labelled the "funniest team ever".

The team features an array of basketball comedians. They are led by the hilarious playing Goose Jr. and ably supported by the very colorful playing Frank Starks and 6'8" Andre Hampton.

The Diplomats will present basketball's most spectacular magic circle. Part of this unique circle is done in darkness; only visible objects are the shoes and a glowing basketball.

"Kiss Me Kate"

"ANOTHER OP'NING, ANOTHER SHOW"

"Four weeks, you rehearse and rehearse.
Three weeks, and it couldn't be worse.
One Week, will it ever be right?
Then out o'the heat, it's that big first night!"

For the students of O.R.R.H.S. "that big first night" is rapidly approaching. Rehearsals are now in progress for this year's musical "Kiss Me Kate", the romantic hit that pairs Cole Porter and William Shakespeare. The action of the play moves swiftly from hustle of backstage life where anxious actors prepare a production of "Taming of the Shrew" to the actual production where the poetry of the Bard of Stratford-on-Avon mixes gaily with the lyrics of the songster from New York, New York. The show can be seen at Gilbert D. Bristol auditorium at O.R.R. on March 11 and 12 at 8 P.M. Tickets will be available soon.

Under the direction of Susan G. Aaronson, assisted by stage manager Claire Hamilton, the cast includes the following: Dori Ripple, Spencer Gurney, Renee Fernandes, James Pasquill, Charlie Hamilton, Ann Worden, Pauline Lemieux, Kevin Pierce, Margaret Worden, Lisa Smith, Ric Gifford, Chris Black, Curtis Betts, Danny Chase, Nellie Walen, Kathi Rose, Alison Lamborghini and Marcia Westergard.

would be interested to learn how fortunate we are to have so many generous citizens volunteer their time to make learning a more practical experience for the children at their school.

Just recently, as a reinforcement to the health program, Selectman Donald Linhares, Walter Morgado, and Alan Travers presented a demonstration on C.P.R. (Cardio-pulmonary-resuscitation) and air splints. Each child was given the opportunity to wear a splint.

Dr. Charles Phillips, for the third year in a row, visited and discussed the structure and diseases of the eye and even allowed the individual students to look into his eye to see his optic nerve.

Once again, another of our special friends, Dr. Larry Seidl, held a discussion and question and answer period with the girls on the "New You". He plans to speak to the boys on March 7th.

This year the students were treated to something new. Dr. Lee Estes, a professor at S.M.U., demonstrated and discussed the importance of the holograph - a three dimensional photograph. He did this in conjunction with his son Lee's project on "Optical Illusions".

These men have generously shared their time with us and it is deeply appreciated.

four categories.

Winners were: Oils, Doris Macy of Wareham for her painting Little Girl; Watercolor, Sophie Tassinari of Middleboro for her painting Red Barn; Acrylics, Miriam Young of Mattapoisett for her painting The Arch Bridge; and other media, Guna Oster for a pastel painting. Best of Show was won by Sophie Tassinari. After juding the pictures Blue Ribbons were awarded.

A fellow member, Mr. Jerry Lyon, was this month's speaker. He showed slides of old masters' paintings pointing out perspective and color.

Parent-Teacher's Club

The Mattapoisett Parent-Teachers' Club will hold a dual event on Thursday, March 3rd, at 7:30 P.M. at St. Anthony's Church Hall. It will feature a wine and cheese tasting session, followed by Dr. James Riley who will speak on "The Influence of Adult Expectations on Children's Behavior". Dr. Riley is an assistant professor in the Psychology Department at Southeastern Massachusetts University.

Mr. Richard Lima, owner of Romeo's Package Store, will cater the wine and cheese tasting event. He will give a brief talk on a variety of wines and the appropriate use of them. There will be a nominal charge per person collected at the door.

If you have any questions regarding this, you may call Nancy Tinkham at 758-6249.

Car Problem at O.R.R.

TRAFFIC AT CLOSE OF SCHOOL

The heavy traffic in the high school yard at the close of the school day when buses are loading creates hazards which have made it necessary for us to restrict the movement of private motor cars from the time that the buses start to load until the buses leave. This is a period of approximately 7 minutes commencing at 2:05 P.M. and ending at 2:12 P.M.

Vehicles in the yard after the bell rings

dismissing the students may not leave or move until after all of the school buses have left the yard.

Visitors or parents picking up children are asked to use the parking lot in front of the school (East) or the main parking lot in the rear (North), but not to stand or park in the roadway which must be used by the buses.

Caution must be used by visitors and parents picking up students. Even after the majority of the buses are in position, four buses picking up at the junior high school must by-pass the buses already standing at the curb. Our supervisors have observed a number of hazardous incidents in which students have come from behind a bus when traffic is on the road on the outside of the row of waiting buses.

If you must enter the school yard when the buses are loading, be very careful to observe the flashing stop signals. A decent regard for public safety requires that school officials and the bus contractors report any violations that are observed to the police department. This we will do.

The life and safety of your children is worth more than a few seconds; we ask the active help and concern of everyone using the school yard in keeping the school safe. Drive slowly; drive defensively. Instruct your own children in safe practices, and provide a good model.

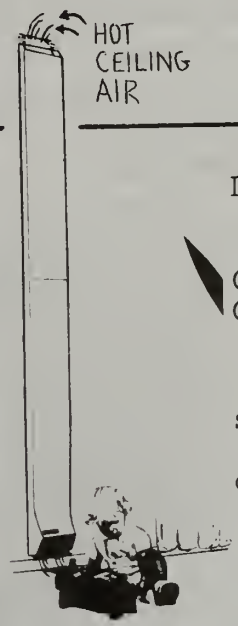
THE HEAT RECYCLER

A "Common Sense" Principle!



SAVE HEATING DOLLARS - WARM COLD FLOORS, INCREASE ROOM COMFORT, REDUCE CHILLS AND DRAFTS.

HEATRECYCLER eliminates heat stratification, the prime cause of cold floors, chilling drafts and high heating costs.

NOW ONLY **$24.88**

HEATRECYCLER MAINTAINS COMFORT-SAVES ENERGY. Continuous operation of HEATRECYCLER maintains comfortable temperature distribution. Tests show HEATRECYCLER holds floor and ceiling air temperatures within 5 to 10 degrees of each other. For less than 1¢ per day, household energy cost is reduced because of better heat distribution. In fuel savings alone, the HEATRECYCLER will more than pay for itself.

Former President Harry Truman so loved to read that by the age of 14 he had finished all the books in the Independence, Missouri library.

NAMED CANCER CRUSADE CHAIRMAN

Dr. Jon A. Ruel of Mattapoisett will serve as 1977 Cancer Crusade Chairman in Mattapoisett, it was announced by State Crusade Chairman, Michael Harrington, U. S. Congressman.

Dr. Ruel is married to the former Joan Carol Saparnis and they are the parents of two sons, Jon Jr., 2 years; and Jason, 2 months old.

Dr. Ruel is a dentist and his office is located at 4480 Acushnet Avenue, New Bedford. He holds a B.S. from Boston College, a D.M.D. from University of Pennsylvania, and a M.S.C.D. from Boston University. He is currently a faculty member of Boston University School of Graduate Dentistry.

In making the announcement, Congressman Harrington said, "The citizens of the Commonwealth raised $2,164,152 last year. This year, with Dr. Ruel and his committee working at the grass roots level, I know we'll do even better in reaching our 1977 Crusade goal of $2,400,000."

Awareness series on Tuesday, March 1st, at 7:30 P.M. in St. Gabriel's Parish Hall on South Street, Marion. This program was originally scheduled for January 11th but was snowed out. Father Hoye is the head of the Marriage Tribunal of the Catholic Archdiocese of Fall River. He will discuss the current attitudes toward Divorce and Re-marriage and explain the role of the church in these matters. Following his talk will be a question and answer period. Refreshments will be served. Everyone is welcome to attend.

Boy Scout Drive

HATS OFF this week to two friends of Scouting who are helping to celebrate the 67th Anniversary of the free world's largest volunteer youth movement by giving leadership to the local Boy Scout Sustaining Membership Enrollment Campaign.

John R. Halkyard, Mattapoisett resident and chairman of the overall campaign currently being conducted on behalf of the Moby Dick Council, B.S.A., has announced the appointment of James Hartshorn and Arthur Blackburn to serve as Community Chairmen in Marion and Mattapoisett respectively. Hartshorn is Superintendent of Electric Operations with New Bedford Gas and Edison Company, and Blackburn is Senior Professional Representative from Merck, Sharp and Dohme, the Pharmaceutical Division of Merck & Co., Inc. As community chairmen they are responsible for securing sustaining member-

ships which help to provide the additional funding needed to continue Scouting services in the area beyond those received from federated giving sources.

The Moby Dick Council is a participating member agency of three United Ways which collectively provide approximately 50% of the total operating budget. The balance is raised primarily through the sale of supplies, some activities, and support by friends of Scouting over and above that which they normally give to the United Way.

The Council helps to organize Scouting units, trains leaders, maintains a summer training camp, conducts activities to supplement unit program, employs a professional staff, and maintains a service center for its more than six thousand members.

Both Hartshorn and Blackburn are to be commended for their visible support of this proven character-building program and we urge residents of the respective communities to respond generously.

Rochester Cub Scout News

PACK #30

At the monthly meeting held January 25th the following boys received the Bear Badge: Peter LaFreniere, Alan Panek, Barry Phillips, Steven Smith, Danny Ferreira and Chris Martin. The badges were presented to the boys by Chairman Manny Campos.

Boys graduating into Weblos received their scarves and colors from leaders of Weblos, Edgar Martin and Vincent Lovegrove. They were Todd Campos and Steven Smith.

The names of the boys receiving the Arrow of Light will be in next month.

As of February 16th the Cub Scouts of Pack #30 will be selling the Ideal Fund Raising Kit. The proceeds from these sales will be used for upcoming dates planned.

Kindergarten Screening

The Special Needs Law (Chapter 766) requires that all children be screened prior to entering Kindergarten. The intention is to identify any special needs a child may have so that an individual program may be planned for a given student. The screening will be conducted in the basement rooms of the 1898 Wing in Center School by the following personnel:

1. Kindergarten Teachers and Special Needs Teacher
2. School Nurse
3. Physical Education Specialist
4. Speech Therapist

The screening process consists of:

1. Assessment of child's stage of development.

2. Assessment of child's motor ability and coordination
3. Assessment of vision and hearing
4. Observation of speech patterns

Screening by the school personnel will take place one day a week for three weeks (Tuesday, March 8; Monday, March 14; Tuesday, March 22) until each child has been screened. Individual screening for each child requires about one hour.

Any parent who has not registered a child who will be entering Kindergarten for the school year 1977-1978 should call the school office (758-2521) for an appointment date to register him. At the time of registration a screening date will be given. The school office will be closed for February vacation the week of February 21-25 and will reopen the week of February 28.

Children's Museum

SUGARING OFF

This Saturday morning, the Children's Museum will boil down sap collected from its sugar maple trees into maple syrup. Director Bob Lucas will explain what sap is, where it comes from and what it does for the tree. Visitors will then see the tree being tapped, the sap collected and then boiled down to syrup. All visitors will have a chance to taste the maple syrup.

5th annual New England AAU Swim Meet on Saturday, March 5th, and Sunday, March 6th, starting at 9 A.M. The meet, to be held at the SMU pool, will feature approximately 600 swimmers ages 6 - 18. Teams from Massachusetts, Maine, Vermont and Pennsylvania will be represented. Entry blanks are available at the YWCA.

Timers, typists and scorers will be needed for the 2-day event. Experience is not necessary and training will be held for volunteers. Call Trix Whalen at the YWCA if you are interested.

Spectator seating for 400 people is available at SMU.

WEDNESDAY LUNCHEON

Trix Whalen, aquatic director of the YWCA, will explain the AAU Swim Meet to be held at SMU at the YWCA Wednesday Luncheon on March 2nd. Proceeds from the luncheon will be donated to help defray the expenses of the meet.

The luncheon begins at noon and is open to the public.

FLOWER SHOW TRIP

The YWCA Gad Abouts will leave winter behind while they attend the Spring Flower Show at Commonwealth Pier in Boston on Tuesday, March 22. The group will leave from the "Y" at 8:30 A.M.

Make your reservations at the YWCA now if you wish to go. Treat yourself to the beauty of flowers.

BOWLING PARTY

The YWCA Single Wheels will hold their next meeting at the Brunswick Fairhaven Bowling Lanes on February 24th at 7:30 P.M.

At that time Mrs. Ellie Nunes, program director of the lanes, will demonstrate the skills needed to bowl with the large bowling balls. After the demonstration, members will be able to bowl free of charge.

For further information call the YWCA and ask for Mrs. Rita Grenon. Reservations must be made.

SENIOR SKI CLUB

The YWCA Senior Ski Club, for coeds in grades 9 - 12, invites students interested in outdoor activities to their next meeting on Thursday, March 3rd, at 7 P.M.

After-ski season plans include mountain hikes, trips and splash parties. Advisor is George Angelo, Jr.

HILLER CO., INC.

FRONT STREET, MARION 748-0019
SERVICE - HILLER SUNOCO, Rte. 6, Mattapoisett. 758-6000

February 23rd, at 7:30 P.M. All beekeepers are invited to attend the meeting at which a proposed constitution and by-laws will be presented for consideration, and officers will be elected.

It is expected that meetings will be held monthly with programs of interest to part time hobbyists as well as commercial beekeepers.

At the February 23rd meeting, Mr. Harry Cranshaw of Kingston and Mr. Lewis Smith of Duxbury will discuss the condition of bee colonies during this severe winter and the availability and management of package bees this coming spring.

All beekeepers and persons interested in beekeeping are invited to attend the meeting.

The Plymouth County Extension Service is located on the grounds of the Plymouth County Hospital on High Street in Hanson.

"La Boheme"

CANADIAN OPERA COMPANY AT SMU

The Canadian Opera Company will bring the soaring music of Puccini's "La Boheme" to the stage of the Southeastern Massachusetts University auditorium on Wednesday, March 2, at 8:00 P.M.

The romantic story of Bohemian life in Paris will be sung in English.

"What is the special magic of 'La Boheme'

that no other opera seems to have?" asks Herman Geiger-Torel, general director of the company in explaining the special appeal of "La Boheme". "There are operas that exalt us to greater heights of emotion, that move us to deeper human understanding, but none seems so fresh, so poignant, so heartbreakingly real.

"'La Boheme' communicates to audiences on different levels: to some it is a feeling that we are personally involved in the lives of these

TOWN OF MATTAPOISETT, MASSACHUSETTS
MATTAPOISETT PLANNING BOARD

NOTICE OF PUBLIC HEARING

A Public Hearing will be held on Tuesday, March 15, 1977, at 8:00 P.M. in the Conference Room of the Mattapoisett Town Hall concerning the following Zoning articles.

1. To see if the Town will vote to accept the provisions of Chapter 808 Acts of 1975 the same being a revision of the so-called "Zoning Enabling Act" Chapter 40A of the General Laws of Massachusetts or take any other action thereon.

2. To see if the Town will vote to amend Section III F of the Zoning By-Law of the Town of Mattapoisett by adding the following sentence:

"Further, the Board of Selectmen may issue a permit to occupy a trailer for a period up to two (2) months in cases of extreme emergency or calamity as determined by said Board of Selectmen. Said permit may be renewed by the Board of Selectmen for a period not to exceed a total of eight (8) months altogether", or take any other action thereon.

3. To see if the Town will vote to amend Section III 6 of the Zoning By-Law of the Town of Mattapoisett by deleting paragraph c and inserting in place thereof the following:

"c. No parking shall be permitted within thirty-five (35) feet of any street. Parking in front of any building shall be limited to customers, visitors and/or employees. This By-Law shall not permit any shipping, receiving or storage of any materials in front of any building", or take any other action thereon.

4. To see if the Town will vote to amend Section VII B 3 of the Zoning By-Law of the Town of Mattapoisett by deleting said section and inserting in place thereof the following section:

"3. Variances. To authorize upon appeal, or upon petition in cases where a particular use is sought for which no permit is required, with respect to a particular parcel of land or to an existing building thereon, a variance from the terms of this By-Law where owing to conditions, shape, or topography, of such land or structures and especially affecting such land or structure but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of the ordinance or by-law would involve substantial hardship, financial or otherwise, to the petitioner or appellant, and that desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of such ordinance or by-law", or take any other action thereon.

5. To see if the Town will vote to amend the Zoning Map and Zoning By-Law of the Town of Mattapoisett by changing the following described RR 30 District to LI (Limited Industry):

"Beginning at the northwesterly corner of the layout of Industrial Drive at a point with the southwesterly line of land now or formerly of the New Bedford Gas and Edison Light Company; Thence

Northeasterly for a distance of approximately 7,961.13 feet in the southerly line of the limit of the layout of Route I 195 to the Marion Town Line; Thence

Southwesterly along the Mattapoisett-Marion Town Line for a distance of approximately 1,470 feet; Thence

Westerly along the southerly line of Industrial Drive for a distance of approximately 6,699.14 feet; Thence

Northwesterly for a distance of approximately 66 feet to the point of beginning;

The above described premises being also shown as Lot 1 through 10 on Plot 26 and Lots 33 through 40 on Plot 27 of the Mattapoisett Assessors' Plans dated December 1972", or take any other action thereon.

6. To see if the Town will vote to amend the Zoning Map and the Zoning By-Law of the Town of Mattapoisett by changing the following described area from Residence 30 (R 30) to General Business (GB) bounded as follows:

"Northerly by the southerly limits of the layout of Route I 195;

Easterly by the westerly line of the present Limited In-Dustry (LI) district measuring approximately 900 feet and by the westerly property line of land now or formerly of Henry F. Pallatroni and Robert A. Gingras measuring approximately 1492 feet;

Southerly by the northerly property line of land now or formerly of Hazelle Lomax Ferguson and Kathleen E. and Elwood S. McKenney for approximately 1037 feet;

Westerly by the easterly line of North Street approximately 1603 feet to the point of beginning", or take any other action thereon.

7. To see if the Town will vote to amend Section VII B of the Zoning By-Law of the Town of Mattapoisett by adding the following section:

"4. All applicants to the Board of Appeals may be required to submit their application to be reviewed by one or more of the following at the discretion of the Board of Appeals: Board of Health, Planning Board, Town Engineer, Conservation Commission or any other town agency or board as the Board of Appeals may determine necessary", or take any other action thereon.

8. To see if the Town will vote to amend the Zoning By-Law, Section III E by adding paragraph 3.

"3. In all districts the Selectmen may grant a Special Permit for the erection of any off premise sign for advertising", or take any other action thereon.

9. To see if the Town will vote to amend Section V G of the Zoning By-Laws by adding a new subsection 4 as follows:

"4. Use of premises or building thereon in connection with the remodeling and/or rebuilding (hereinafter called reconstruction) of motor vehicles subject however, to the following restrictions:

a. The owner or occupant must hold a Class 3 license in accordance with Section 58 of Chapter 140 of the General Law issued by the Board of Selectmen.

b. Reconstruction or rebuilding of any motor vehicle is permissible only inside of the building located on the premises.

c. No more than one vehicle, being restored, or to be restored, may be on the premises at any one time

d. The hours during which such restoration or rebuilding work may be permitted, shall be set by the Board of Selectmen.

e. The Board of Selectmen may impose any other reasonable conditions upon the restoration or rebuilding of said motor vehicles as said Board in its discretion deems in the best interests of the abutting property owners and the Town.

f. This section does not authorize a 'junkyard' or the storage of automobile parts outside a building for resale or use in the reconstruction of automobiles", or take any other action thereon.

love-stricken students in Bohemian Paris; to others it is an archetype of sheer musical lyricism - the lilt of Musetta's flirtatious waltz, the excitement of Rodolfo's full-throated high C."

Formed in 1958, the Canadian Opera Company tours throughout Canada and the United States. When the tour is over, many of the company's singers appear in leading roles in great opera houses of Europe such as England's Sadler's and Wells and Covent Gardens. Others have been engaged in America by the Metropolitan National Company and the Boris Goldovsky Opera Company.

The appearance of the Canadian company at SMU on March 2 is sponsored by the SMU Cultural Affairs Committee.

For reservations call extension 724 at the university.

SMU EVENTS

PIANO RECITAL

Eleanor Carlson will present a free piano recital for the public at Southeastern Massachusetts University on Sunday, February 27, at 8 P.M. in the SMU auditorium. The program is sponsored by the SMU Music Department and Music Guild.

Dr. Carlson is well-known as a performer and has performed regularly in this area since joining the SMU faculty three years ago. She has studied at Oberlin College, Indiana University, Juilliard, and Boston University and has received Fulbright and French Government Grants for study in Paris and a German Government Grant for study in Munich. She specializes in

French music of the early twentieth century and, while in France, she won the Prix Debussy.

This interest in French music has prompted Dr. Carlson to give workshops on Impressionism and to teach a course at SMU entitled Music and the Related Arts in Paris from 1890 to 1930. She has also recently lectured on the topic of architectural concepts in music.

The program for Sunday evening will include three Bagatelles by Bartok, the Rondo in G Major by Beethoven, the Ninth Sonata of Scriabin, and a group of Debussy Preludes. To conclude the program, Dr. Carlson will perform Pasquinade, Ricordati and The Banjo by Louis Moreau Gottschalk. Gottschalk was one of the earliest successful American pianists and composers and was sometimes referred to as the American Chopin.

MATTAPOISETT ELECTION
ELECTION DAY - TOWN MEETING

REAL ESTATE AUCTION

Notice is hereby given that the following property will be sold at public auction to the highest bidder on March 16, 1977, at 10:00 A.M.:

HUMPHREY ESTATE: An old homestead of approximately 52 acres located on 2 sides of Marion Road in Rochester and in Marion, Plymouth County, Massachusetts, including water frontage on Doggetts Brook and the Sippican River and frontage on Hathaway's Mill Pond. The property includes a barn and a house built about the year 1800, containing a kitchen, dining room, middle room, four bedrooms and bath and an ell in the rear.

The auction will be held on the premises at the dwelling house on Marion Road, (Route 105) near the boundary line between the Towns of Marion and Rochester. The minimum price which can be accepted is $60,000.00 and a ten percent (10%) deposit by cash or certified check will be required at the auction, and the balance will be due in 30 days upon delivery of the deed. For further information please contact Attorney Raymond C. Lantz, Jr., at P. O. Box A-2026, New Bedford, Massachusetts, or at (617) 993-2613.

"WHO KILLED J.F.K.? PART II"

"Who Killed J.F.K.? Part II" will be presented at the Southeastern Massachusetts University auditorium on Monday, February 28, at 8:00 P.M. under the sponsorship of the SMU Campus Center Board of Governors.

This updated and expanded program about the assassination of President Kennedy was produced by the Assassination Information Bureau of Cambridge, Mass. It covers the same material as the original as well as the latest research of the bureau. Featured are photographs which are being released publicly for the first time on this tour, according to the bureau, in addition to the finest copy of the Zapruder film in circulation.

Ticket and further information may be obtained by calling 997-9321, extension 694.

"A TASTE OF HONEY" COURSE

"A Taste of Honey" is the provocative title of a course to be offered to the public this spring by the Southeastern Massachusetts University Institute on Health and Long Life, a program of the university's Division of Continuing Studies.

"A Taste of Honey" is a kind of cultural smorgasbord -- a course designed to develop a quick appreciation of the arts and social sciences.

The course will be given on Thursdays at

3:30 P.M. from March 17 to May 19 in Room 221 of the Group I building.

In certain cultures, students on the first day of school were given a "taste of honey" so that learning should always be associated with sweetness. SMU is offering "a taste of honey" to those wishing to explore the world of cultural enrichment that can be found at the university. There will be ten lectures, each one an hour long, followed by a question and answer period. The lecturers will be professors on the faculty of SMU and guest lecturers. It is a non-credit course.

Topics will be:

The Renaissance Man - Who Was He? - Dr. Scionti
The Ethnic Theater - Then and Now - Prof. Dias
Looking at Abstract Painting - Dr. Firestone

eastern Massachusetts University on Friday, March 11.

The all-day conference, sponsored by the SMU Division of Continuing Studies, specifically will bring together adult educators who are affected by the new lifelong learning legislation that was sponsored by Vice President Mondale when he was a senator.

Purpose of the conference, says Mr. Hy Hoffman, chairman of the event, is "to develop a communication network among adult educators in southeastern Massachusetts."

Speakers will be Dr. Virginia Smith, national director of the Lifelong Learning Program, and Dr. George Nolfi, consultant to Senator Brooke on his Recurrent Education legislation to be introduced later this month. Dr. Nolfi is president of University Consultants of Cambridge.
